Controlling Azure Cloud Costs – Resource Sizing

Optimize your Azure resources for cost-efficiency and performance with our expert sizing services.

CHALLENGE

Organizations in the non-profit, healthcare, and governmental sectors often grapple with managing and optimizing their Azure cloud costs effectively due to limited budgets and a focus on their core missions. The challenge is optimizing the Azure environment without compromising performance, security, or scalability. Navigating through Azure's complex pricing models and options can be daunting and requires specialized knowledge and expertise.

SOLUTION

The Controlling Azure Cloud Costs – Resource Sizing service is designed to address these cost-related challenges. We aim to meticulously optimize your existing Azure cloud environment, ensuring efficient utilization of resources aligned with your needs. Through collaboration, we understand your current Azure environment, applications, and cost structure, implementing strategic changes to the sizing and utilization of Azure resources, services, and virtual machines. This approach provides a clear outlook on cost improvements, achieving significant savings while maintaining optimal performance and efficiency in your cloud operations.

BENEFITS

- Rightsizing: Properly align your Azure resources with your actual needs.
- Reserved Instances: Secure cost savings for long-term Azure commitments.
- BYOL: Utilize existing licenses to further reduce costs.
- Savings Plans: Optimize and forecast Azure spending effectively.

Why Avange for Azure Cloud Costs – Resource Sizing?

Avange understands the financial constraints and mission-critical focus of non-profit and healthcare organizations, offering tailored Azure cost control solutions that drive efficiency and savings.

Starting duration: 5 MDs

Benefits of Working with Avange

With Avange, you gain a partner committed to maximizing the value of your Azure investment, ensuring cost-efficiency, performance, and a focus on your organization's mission.

About Avange

Avange was born out of a deep understanding of both the corporate and humanitarian worlds. Our team boasts professionals who have collaborated with global giants in the private sector and have also been on the ground with esteemed organizations like the United Nations and Doctors Without Borders (MSF) European Space Agency (ESA), Argentinian Ministry of Health, and many other organizations around the world. This rich tapestry of experiences ensures that our approach is always rooted in real-world challenges and solutions.

Our strength lies in our diverse backgrounds, with team members who have navigated the precision of the corporate world and the unique demands of healthcare, NGOs, and government projects. This blend equips us with a holistic perspective, allowing us to craft IT solutions that are not only technologically advanced but also culturally sensitive and mission-aligned.

At Avange, we pride ourselves on our ability to bridge the gap between technology and the humanitarian and healthcare sectors. Our collective experience is our greatest asset, and our commitment is unwavering: to empower organizations to achieve more, serve better, and make a lasting impact.
